

Kelley S. Adamson, M.E., P.E.

President

Mr. Adamson has been in the accident investigation and reconstruction field since 1983. He is an expert in vehicle accidents involving automobile, tractor/trailer, motorcycle, bicycle and pedestrian accidents. Mr. Adamson is experienced in the following areas:

- Traffic accident investigations
- Reconstruction of vehicle accidents
- Vehicle inspections and testing
- Computer simulations of automobile accidents
- Computer animations and demonstrative evidence
- Expert witness in the field of automotive accident investigation and reconstruction
- Qualified as expert witness in the states of Texas, Louisiana and Mississippi

Mr. Adamson also has experience in the field of highway, roadway and bridge construction and design of structural buildings and bridges.

Mr. Adamson received his Bachelor of Science in Civil Engineering from Texas A&M University in 1982. He then earned his Masters of Engineering in Civil Engineering from Texas A&M University in 1985. While at Texas A&M, Mr. Adamson was a graduate research assistant for Texas Transportation Institute and Texas Engineering Extension Service. His research included computer simulation of vehicle accidents and computer modeling of structural components.

REGISTRATION:

Texas, Louisiana &
Mississippi

PUBLICATIONS & PRESENTATIONS

Seventeen Motorcycle Crash Tests Into a Vehicle and a Barrier, Society of Automotive Engineering, March 2002.

Crash Test Protocol, World Reconstruction Exposition 2000, September 2000, College Station, Texas

Critical Speed Formulation, World Reconstruction Exposition 2000, September 2000, College Station, Texas

Accident Reconstruction Saves Time and Money, Leaders Legal Tech Newsletter, March 1991

A Scale Model and Finite Element Analysis of Stiffened Tubular Joints @ Texas A&M University Engineering Extension Service, August 1985.

PROFESSIONAL AFFILIATIONS:

National Society of Professional Engineers
Texas Society of Professional Engineers
Society of Automotive Engineers

Adamson Engineering, L.L.C.
